UNIVERSITY OF KASHMIR

NAAC ACCREDITED A+
Office of the Dean Research

NOTICE

The office of the Dean Research is starting a quarterly newsletter titled **"KU Research Bulletin,"** which would highlight the research activities of the Principal Investigators in the University. Since all of you contribute immensely to the research achievements of the university, the Bulletin will provide you an outreach and would act as a media channel to communicate the significant research outcomes from various sponsored/academic research projects in the university to the larger stakeholder community. The Bulletin would highlight the research activities, extramural funding awards, publications, patents, policy papers, student/faculty exchanges, networking, meetings/workshops/conferences/webinars and other research outcomes among various sections of the stakeholder community. Furthermore, the impact of our research and scholarship makes on addressing issues of societal importance shall be particularly highlighted in the bulletin.

In this regard, you are kindly requested to provide all the necessary information (in brief) about the research achievements and impacts that you would like to be highlighted and included in the Bulletin so that the same are disseminated to various sections of the society in the UT and beyond. The Principal investigators/faculty may kindly communicate the information in the following format by email to the uk_research.bulletin@uok.edu.in, so that the same is incorporated in the upcoming edition of the Bulletin;

1. Name of the Research project along with the name of the funding agency and PI details;
2. Significant research outcomes achieved under the project(s);
3. Societal and scientific importance of the research outcomes;
4. Research papers related to the project(s) published in the *Web of Science* or *Scopus* indexed journals.(Please provide the Impact Factor of the journals as per JCR 2020 Report of Clarivate Analytics);
5. Highly cited papers of the PI (as per Web of Science Criteria);
6. Brief details of the workshops/webinars/conferences organized by the PI/faculty under the project;
7. Details of the Consortia/networks/ collaborations joined/established by the PI/faculty;
8. Any new project awarded to the PI (Provide information about title, budget, duration and theme, partners and other relevant details);
9. Any capacity building program, faculty/student exchange under the project by PI.

By order,

Assistant Registrar
(Research Projects)
