Call for Articles

Hostel Magazines are the hallmark of the intellectual, artistic and cultural life of students. Through these media aspiring authors and students have the chance to develop their mental, intellectual and creative capabilities to the greatest degree possible. Besides the hostel magazines provide a forum where boarders may freely express ideas and discuss current problems faced by the society, which in turn gives them an advantage in terms of staying as creative, innovative & contributing members of the society. In this context the hostel administration (Boys) has decided to publish an annual multilingual hostel magazine to ensure proper intellectual development of boarders in particular & students of the university in general.

To help us to make this endeavour a success, boarders/students may submit their articles referring to various themes like Science & Technology, Religion, Art, Culture, Languages, Environment, Peace, Conflict, International Relations, societal issues, campus life, inter alia by or before 20th Feb-2022. The word limit for each article is 1000-1500 words and the MS Word file of the same may be emailed to sheikh.aejazm@gmail.com, before the due date.
