Dated 02-02-2021

# UNIVERSITY OF KASHMIR, SRINAGAR

## Department of Nanotechnology

### Advertisement for JRF position in Science and Engineering Research Board (SERB) research grant at the Department of Nanotechnology

Applications on plain paper are invited from the eligible candidates for engagement as JRF in the project titled "3D nanofiber using in-situ hydrothermal treatment to construct super-hydrophilic and multifunctional scaffolds," sanctioned to Dr. Faheem Arjamend with a monthly salary of Rs. 31,000/- + 20% HRA=35,960/month. *This position's eligibility is a post-graduate degree in sciences, preferably in Nanotechnology or Chemistry or Biotechnology with GATE or NET.* The position is purely temporary and co-terminus with the project. The duration of the fellowship is initially for this financial year but is extendable to another year as JRF. Subsequently, the position can be promoted to SRF after assessment by a committee. The candidate engaged in the project will not have any claim whatsoever to continue services in "SERB/University after the completion/termination of the project.

Interested candidates should send their application by hand/post/e-mail addressed to Principal Investigator along with their CV (indicating name, qualification, recent passport size photograph, age, working contact number and e-mail ID, etc.) and attested copies of all relevant documents to reach in the office of Nanotechnology, University of Kashmir, Srinagar before 10-02-2021. The interview date and venue will be communicated to eligible candidates through e-mail/contact numbers provided by applicants in their CVs.

No TA/DA will be paid to the candidates appearing for the interview.

Copy to:

1. Dean Faculty of Biological Sciences, University of Kashmir, Srinagar
2. Director IT&SS, University of Kashmir, Srinagar
3. PRO, University of Kashmir, Srinagar
4. File
