Sub: Development/Updating/Training the Departmental Website

Dear Sir/Madam,

You are well aware of the fact that we have been endeavoring to have Websites for all Departments and Centre's of the University.

In this connection, the separate website for each Department/Centre was developed and each Department/Centre have been already provided username/password after their successful training. Some of the Departments have been already doing regular updation on their respective Department/Centre websites. However some Departments/Centres are not updating their websites on regular basis. It is therefore requested to kindly update your respective websites on regular basis.

In case if any Department/Centre is facing any problem regarding updating their respective website, that Department/Centre may kindly inform us and we shall be pleased to further train them on the website updation processes and are available for any IT Support.

For any such additional training, you may contact IT Support Centre on University internal number **2225** for scheduling training or you can mail on [updatedept@uok.edu.in](mailto:updatedept@uok.edu.in) for updating their respective Website.

Your Cooperation is solicited

Thanking You

Your's Sincerely

*S.M.K. Quadri*
