Dr. Mustahson Farooq Fazili
27.12.1962 - 17-05.2021

Your loss has created a void that cannot be filled. You will always be in our thoughts and prayers. We pray for you, "O Allah! forgive him, elevate his status among the guided people and look after the family that he left behind. O Lord of the Universe! Forgive us and forgive him, comfort him in his grave and lighten his stay (in the grave) ... Aameen"
